Scholarship FAQs**

**Application Period: January 1, 2021 through 11:59 p.m. on January 31, 2021**

The Community Foundation of Frederick County, located in Frederick, Maryland, administers the scholarship selection process for the Maryland Retired School Personnel Association (MRSPA). The Maryland Retired School Personnel Association is offering three (3) \$2,000 scholarships for the 2021-2022 academic year.

Scholarship history: The Maryland Retired School Personnel Association Fund was established through a financial gift by Irl and Ella Beall. This gift has enabled MRSPA to offer scholarships to those engaged in education in the public schools of Maryland and who are enrolled in programs leading to teacher certification or to meet the requirements to become a school counselor, speech and language pathologist, a physical or occupational therapist, a school social worker, a media specialist, or a school psychologist. Teachers who have a current certification but are enrolled in a program and are pursuing certification in another education-related area are also eligible to apply for this scholarship. Applicants must hold a minimum of a high school diploma or a GED certificate and must intend to work in Maryland.

The shortage of certified teachers and other school personnel in the public school systems of Maryland is of concern to all. One of the goals of MRSPA is to encourage and assist those currently employed by our school systems to become certified teachers and specialists. MRSPA, therefore, encourages eligible individuals to apply for scholarship assistance through The MRSPA Fund.

This document answers applicant's most frequently asked questions. Please review before beginning the online application, as this will save time, increase accuracy, and help ensure a positive experience.

### **What is the deadline for submitting a scholarship application?**

Your application must be submitted by **January 31, 2021 at 11:59 p.m. EST.**

Submit your application prior to **January 31<sup>st</sup>, 2021** if possible. Last day submission volume is heavy and this could prevent your application from being accepted by the online software. The Community Foundation and MRSPA are not responsible for applications that are unable to be submitted on the final day due to high volume.

### **Do I need to obtain letters of reference?**

No.

### **Can I submit a paper application or paper transcript?**

No. Only applications submitted online through the website will be considered.

### **Why do you ask for my email address?**

The Community Foundation’s communications are exclusively by email, including notifications of scholarships awarded, necessary documentation, and invitations to scholarship events.

### **How do I submit my required transcript?**

You must upload your most recent transcript in a PDF format. An official or unofficial transcript is acceptable.

- The transcript must clearly show your cumulative GPA.
- The transcript must clearly show the name of the educational institution.
- The transcript must be a PDF document (.pdf extension). Other formats are not acceptable (ex: WORD, TIF, XLS).
- The transcript must be readable and clear.
- If your educational institution uses a transcript service, you must secure the transcript from them. **DO NOT** provide a link to the transcript service; the Community Foundation will not retrieve this information for you. If you have questions about how to request your transcript from the service, contact your educational institution for assistance.
- You may only upload one document, so make sure all pages of your transcript are included in the PDF.
- If your transcript does not meet all of these requirements, your application will not be considered and your application will be disqualified.

**How do I attach my transcript?**

*Transcripts are attached in the same manner as you would add an email attachment to an email. While in the transcript field, click on the “Choose File” button. Browse to search for the document and then upload the file by clicking the “Upload File” button. Please do not attach web links as a document.*

**What if I uploaded a document in error?**

*Follow the same procedure for choosing your file and uploading a file. When you upload a second document, it will “bump” the first document out of the field.*

**Can I make changes to my application?**

*Prior to submitting the application, you may make edits/changes/updates to it as often as you like. However, once you submit your application, you will not be able to modify any of your responses.*

**How will I know my completed application was received?**

- *After clicking on the “submit” button at the end of your application, you will see a “Congratulations!” message with a green check mark that says “Your online application has been submitted!”*
- *You will also receive an email confirmation.*

**Can I submit feedback or receive technical assistance with the online application?**

*Yes. Within the application screen, you will see a “Contact Us” tab. Click here, and you will be directed to the helpdesk of our software vendor, Next Gen Web Solutions, where you can submit your question or feedback. You may expect a response within 24 hours.*

**If my application is successfully submitted, does this mean I will receive a scholarship?**

*All applications go to a scholarship review committee; meeting the eligibility and application requirements alone does not guarantee you will receive a scholarship. You will be notified before April of your scholarship application.*

**If I am notified I receive a scholarship, then what happens?**

- *You must complete a scholarship agreement.*
- *Scholarship checks are made payable to the educational institution designated by the recipient on the scholarship agreement.*
- *Scholarship checks will not be paid to the scholar.*
- *If the scholarship is not fully utilized by the end of the 2018-2019 academic year, the unused portion will be forfeited by the scholar and the funds returned to The Maryland Retired School Personnel Association Fund.*

**How do I know that the information I am submitting electronically on my application and in my supplemental attachment is secure and confidential?**

*The Community Foundation understands the trust you have placed in us and is committed to the security and privacy of your personally identifiable information.
