# NOTHING <sup>TOPS</sup> ~~STOPS~~ PHILANTHROPY

## *Dear Friends of the Community Foundation,*

FY2021 was another unprecedented and challenging year, and again our generous supporters proved that **#NothingTopsPhilanthropy**. Thanks to you, The Community Foundation of Frederick County provided vital support in the form of grants, scholarships, and leadership as our community continued navigating the COVID-19 pandemic. You demonstrated that philanthropy was of “top” importance during this time.

As Frederick County grappled with the pandemic, we helped create a community of donors who showed their concern for their fellow citizens. The Community Foundation was strategic in its grantmaking and focused on helping people cope with this crisis. We expanded our reach by collaborating with funders and other nonprofits to address food insecurity, eviction prevention, emergency shelter needs, and more.

Thanks to you, we exceeded our \$20 million fundraising goal for The Forever Frederick County Fund, an unrestricted endowment created to allow flexible grantmaking based on our county’s greatest needs. Grants from this fund helped address our current strategic areas of supporting families with children, preparing for an aging population, and responding to substance use disorder. These areas took on a renewed sense of urgency because of the pandemic.

As a result of these efforts as well as others, the Community Foundation distributed \$5.1 million in grants to hundreds of nonprofits serving in the areas of health and human services, youth programs, historic preservation, basic human needs, the arts, elder care, animal well-being, the environment, and much more. Scholarships, totaling \$1.8 million, helped 392 students with their post-secondary education. All of this was made possible by the 1,838 donors who contributed 3,479 gifts to one or more of our 750 component funds, with most gifts going to our existing endowment that spends five percent of the annual market value.

Working together, we have kept the momentum going for **#NothingTopsPhilanthropy** and supporting our wonderful community. Thank you for your continued partnership and the trust you have placed in us as we assist you in reaching your charitable goals.

# FOREVER FREDERICK COUNTY

## THE FOREVER FREDERICK COUNTY CAMPAIGN

The Community Foundation launched its unrestricted endowment campaign in June 2019 to establish a flexible and sizeable endowment fund to prepare for the future. Grants from The Forever Frederick County Fund will help address the most pressing issues in our community now, and as they evolve and change over time. Preparedness is key, and The Forever Frederick County Fund will help ensure that solutions can be achieved quickly.

Grantmaking is currently driven by data from the 2018 Frederick County Human Needs Assessment Study, and similar studies will be used going forward. The 2018 Frederick County Needs Assessment determined three strategic areas of focus: supporting families with children, preparing for an aging population, and responding to substance use disorder. The board of trustees is committed to being proactive in its approach to use available funding wisely and most impactfully.

For more information about how you can help, visit [www.ForeverFrederickCounty.org](http://www.ForeverFrederickCounty.org), or call our office at 301.695.7660 for a confidential conversation with our staff.

## *Dear Friends,*

It is with great admiration that I am able to report we've not only met but exceeded our Forever Frederick County fundraising goal in record time: \$21.8 million in three years, exceeding our goal of \$20 million. Your belief in preparing for the future became powerful acts of philanthropy that built an unprecedented endowment for our community.

On behalf of the Board of Trustees and staff, I am honored to extend our thanks for your support. The campaign again proved that Frederick County cares and your generosity showed the deep concern we have for one another especially in times of crisis.

While the campaign portion of this initiative has closed and we are celebrating its success, The Forever Frederick County Fund is just that—forever. Gifts to the fund to continue to build the endowment are welcome, because as it grows, so will our capacity to respond and help. The current pandemic is but one example of how The Forever Frederick County Fund would have, if fully endowed when the pandemic hit, provided \$1 million immediate, local use. Now our ability to be nimble and flexible is deeply rooted.

Thank you for supporting the Forever Frederick County campaign. Thank you to the donors who have contributed to this important effort. Their names are found on pages 8 and 9. And thank you to everyone who helped ensure that Frederick County is forever.

## POSITIVELY INFLUENCING PEOPLE'S LIVES THROUGHOUT FREDERICK COUNTY, FOREVER

Supporting Older Adults Through Resources, Inc. (SOAR) was founded in 2015 to help meet the essential needs of Frederick County seniors with limited incomes. SOAR provides support to seniors through direct assistance or by accessing resources on their behalf. The nonprofit brings people together in the community to make a difference in the lives of some of Frederick County's most vulnerable adults.

This woman, Joanie, is in her early 70s and lives in Thurmont. Her van that was more than 20 years old died during the pandemic, and she was unable to purchase a new vehicle with her limited income.

With the help of a grant from The Preparing for an Aging Population Strategic Initiatives Fund, SOAR was able to purchase a used car that was in good condition for Joanie. The car has allowed Joanie to remain independent as well as assist others in her community who might be in need of transportation assistance. Joanie was incredibly grateful for the support and named her car "Herbie."

Preparing for an aging population is one of the Community Foundation's strategic areas of focus. Joanie's story is an example how The Forever Frederick County Campaign Fund has helped provide critical support in our community to improve people's lives and create long-lasting, positive change.

# COVID-19 *RESPONSE*

## Leadership, Collaboration, and Perseverance in the Midst of a Global Pandemic

The Community Foundation supported Frederick Rescue Mission with food distribution coordination efforts.

Frederick County continued to face both immediate and long-term impacts from the COVID-19 pandemic during 2021. As vaccines became available and case counts dropped through the spring and early part of the summer, the community began to return to some semblance of normalcy. However, the emergence of new variants once again forced our community to confront challenges in coping with the pandemic.

In addition to dealing with the obvious public health impacts from COVID-19, Frederick County, similar to communities over the last year, faced ripple effects from the pandemic. The Community Foundation of Frederick County once again was a leader in responding to the COVID-19 crisis and continued to partner with the COVID-19 Philanthropic Funders Collaborative to coordinate response.

**The COVID-19 Emergency Relief Fund**, a component fund of the Community Foundation, was established in 2020 to provide grants to nonprofits in support of emergency relief services. During FY2021, the Community Foundation provided support to The Religious Coalition for Emergency Human Needs to help prevent evictions for households impacted by COVID-19, grants to Frederick Rescue Mission with its food coordination efforts for Frederick County, and assistance for COVID testing for staff at Montevue Assisted Living and Citizens Care and Rehabilitation Center of Frederick.

The Community Foundation collaborated with Downtown Frederick Partnership to support local restaurants and frontline workers during the pandemic.

FEEDING **FREDERICK**

**WWW.FEEDINGFREDERICK.COM**

The Feeding Frederick campaign aims to bring awareness to free food resources throughout Frederick County.

The Community Foundation collaborated with Downtown Frederick Partnership to establish **The Feeding Frederick's Frontline Fund** to supply free meals for Frederick's frontline workers while supporting downtown Frederick restaurants. Grants from the fund purchased meals from local restaurants for health care workers, emergency workers, shelter providers, and other government or nonprofit workers who worked with COVID patients or people at high risk of COVID.

As food insecurity continued to plague Frederick County during the pandemic, the Community Foundation recognized the urgent need to connect free food resources with people who needed it most in our community. Frederick County Government worked with Ausherman Family Foundation and other local partners to establish an online map that showed where free food resources were located throughout the county. The Community Foundation took the lead in establishing a marketing campaign to raise awareness of the map. Collaborating with Frederick County Government, Ausherman Family Foundation, and numerous other community partners, the group has helped residents access free food resources in our community.

As expected, the COVID-19 pandemic did not go away in 2021. The Community Foundation continued to take a proactive approach to responding to the crisis in our community. With the help of numerous partners in Frederick County, everyone came together to prove that **#NothingTopsPhilanthropy**, not even during a global pandemic.

## HOW TO *APPLY FOR A GRANT*

The Community Foundation conducts two annual competitive grant cycles for nonprofits working to have an impact on Frederick County. The Strategic Grants are currently focused on outcome-driven projects that will help accomplish our strategic initiatives in the areas of supporting families with children, preparing for an aging population, and responding to substance use disorder. Impact Grants are for any project that will make a critical difference in Frederick County. Both of these types of grants are made possible by the Community Foundation's funding partners, unrestricted funds, selected donor-advised funds, and field of interest funds. All applications are completed online at [www.FrederickCountyGives.org/Grants](http://www.FrederickCountyGives.org/Grants). The Strategic and Impact grant cycles open in the summer of each year with grant decisions announced in the fall. Other grant opportunities are available throughout the year and are referred to as "rolling grants." Prospective grantees are encouraged to check the website periodically for funding opportunities.

The Community Foundation's Grants Committee carefully reviews each application for the merit of the proposal and compliance with the funds' criteria for grantmaking. In addition, the Community Foundation performs due diligence on each application to ensure that organizations are in good standing at the federal and state level. Grants are limited to 501c3 nonprofit organizations, existing governmental/quasi-governmental agencies, organizations applying for a project not funded by tax revenue, faith-based organizations requesting funding for non-sectarian activities, and civic groups requesting funding for a charitable cause.

All grantees are required to submit reports to the Community Foundation on the use and impact of the grants.

*Grant application dates and details are subject to change; please visit [www.FrederickCountyGives.org/Grants](http://www.FrederickCountyGives.org/Grants) for current information.*

## Scholarship Success Stories

### CHRISTIAN NTIENOU

After graduating from Governor Thomas Johnson High School in 2013, Christian began his post-secondary education at Frederick Community College with a focus on accounting and business. As he progressed, he “discovered” engineering and has since combined his inclination towards numbers and business by earning a bachelor of science in mechanical engineering from University of Maryland, College Park. He is now a quality test engineer for Lockheed Martin where he analyzes and identifies causes for program malfunctions. Christian is studying for his professional engineer certification and deciding what area of engineering he would like to pursue with a master’s degree. Christian’s educational goals were supported with a scholarship from **The M. Rebecca Linton Scholarship Fund**.

### ALEJANDRA DIAZ

With the help of a scholarship she received from the Community Foundation, Alejandra was able to focus on pursuing her educational goals instead of worrying about her financial situation. She is a 2013 graduate of Middletown High School and earned both her bachelor’s and master’s degrees in computer science from the University of Maryland, Baltimore County (UMBC) with a focus on cybersecurity. Alejandra currently works as a cybersecurity analyst and cyber software engineer in Northrop Grumman’s Cybersecurity Operations Center, where she monitors the Northrop Grumman network and ensures that its employees and users remain safe from both inside and outside cyber threats. As a side opportunity, Alejandra also works as an adjunct professor in UMBC’s Computer Science and Electrical Engineering Department. Her career goals include earning more certifications in cybersecurity to enhance her skills and possibly going back to school to pursue a Ph.D. Alejandra’s success was helped with a scholarship from **The Rotary Club of Frederick/W. Meredith S. Young and Helen B. Young Scholarship Fund**.

### JULIA BECKER

Through Community Foundation Scholarship Support, Julia was able to pursue her goal of becoming an educator. She later received her M.A.T. in early childhood and elementary education in 2011. Julia said having the pressure relieved from the financial requirements of college meant she could focus on her studies, extracurricular activities, and volunteering. Thanks to her scholarships, she was able to attend her college of choice and was prepared to take on expenses like textbooks and technology requirements. Julia is currently an elementary school teacher for Frederick County Public Schools and hopes for a long teaching career. Julia’s success was helped with scholarships from **The Lisa A. Orndorff Lajewski Memorial Scholarship Fund, The Mary E.M. and Ruth E. Smith Scholarship Fund, The Mary Ann Moschel Memorial Scholarship Fund, and The Eleanor Harper Music Scholarship Fund**.

Wade Scholarship Fund** helped Allen achieve his educational goal of earning a journalism degree and ultimately coming back to his hometown to work at the local newspaper. Allen worked as a reporter and editor at *The Frederick News-Post* for five years and now serves as the public information and community outreach coordinator for the City of Frederick. In this position, he works closely with the Frederick Police Department to provide outreach and communicate with the public daily. Allen tries to be of value to each person he meets and tries to make sure each person he interacts with has a positive experience. He is grateful for all the support he received to be able to work in his hometown and contribute to the local community.

### DIEGO CAMARGO

Thanks to scholarships he received from the Community Foundation, Diego was able to focus on school and not stress about how he was going to pay for college. Diego is a 2013 graduate of Governor Thomas Johnson High School and earned his associate's degree in digital media design from Frederick Community College. He currently works as a graphic designer/web developer for DatAchieve Digital, a digital marketing agency. ## Scholarship Appreciation

### XAVIAN GORDON

Recipient of The Ada B. Poole Scholarship Fund

Thank you so much for this generous scholarship award. It will be a great help for

my family and I when I leave for school this fall by relieving some of the financial burden. In the fall, I will be attending Virginia Tech to earn my degree in human nutrition, foods, and exercise in hopes of becoming a pediatric physical therapist. I am looking forward to all the research opportunities that Virginia Tech has to offer. Thank you again for your generosity. This scholarship will allow me to focus more on my academics in order to reach my goals in the future.

### JULIA O'CONNELL

Recipient of The Elaine A. Heiberg Scholarship Fund for the Arts

I am honored to have been selected as a 2020–21 recipient of

The Elaine A. Heiberg Scholarship Fund for the Arts. I will be a junior at Towson University in the fall. I am excited to return to Towson next semester as I will be beginning the BFA graphic design program while continuing to pursue my mass communications degree. My first two years at Towson have helped me to develop my creativity, and I am glad that I decided to pursue art. My goal is to be able to use the artistic skills that I have learned at Towson and go into a creative field, whether that be as an in-house graphic designer, an animator, or an art director. My educational experience would not be possible without the kindness of scholarship donors like you. Thank you for your confidence and willingness to help me achieve my goals.

### JAIMEE HARRISON

Recipient of The Frances R. Darner Scholarship Fund

I am blessed, honored, and humbled to have

been selected as the 2020–21 recipient of The Frances R. Darner Scholarship. I will be a master of science student at American Military University this fall, and I've just been commissioned as an officer in the United States Army. My goal is to become a government contractor, in hopes of protecting this nation's security. This scholarship will not only fully fund my first two courses but will put me in a position to continue my schooling and give me opportunities I would not have otherwise. I will remember this scholarship as the tool that put my foot in the door for a chance at the career of my dreams. My education would not be possible if it was not for you, and for that, I am exceptionally thankful.

### TYLER HAUK

Recipient of The ILT Robert A. Seidel III Memorial Scholarship Fund

I am truly humbled to be receiving this award. Your son,

Robert, was a true hero who dedicated his body and soul to protect our country, and I am honored to receive this scholarship in memory of him. This fall I will be a freshman at Susquehanna University and will be on the Track and Field team as a discus, hammer, weight, and shotput thrower. I hope to obtain a bachelor's degree in ecology or a related field of study. The environmental crisis in the Chesapeake Bay that our state faces is close to my heart and has reinforced my desire to pursue the environmental sciences. I have a strong yearning for actual hands-on experiments and to make this world a healthier and cleaner place for the future generations. Again, I am extremely grateful to receive this scholarship. Thanks to your family's generosity, I will have the resource I need to conquer my future.

I plan on studying psychology with a minor in business. My long-term goal is to be a children's psychologist. This summer, I am planning on being a summer camp counselor at the YMCA of Frederick County. I think this summer, more than all my previous summers of working there, it will be really important to help create a fun and safe environment for the campers. Thank you from the bottom of my heart for your generosity and kindness. Opportunities for students like me would not be possible without donors like you.

"The Community Foundation of Frederick County is a major philanthropic presence in Frederick County, where we lived for 32 years prior to retirement. We admired the way the Community Foundation sought to address the needs of county residents and trusted the staff and board (we knew many of them personally!) who guided the work. One of our three sons and his family (including our grandson) lives in Frederick County now. We continue to invest in the Community Foundation because it impacts their lives... and the lives of friends we care deeply about. We believe that our support of the Community Foundation truly makes a difference."

# PROFESSIONAL ADVISOR COUNCIL

**Formed in 2009, the Frederick County Professional Advisor Council is comprised of attorneys, accountants, trust officers, financial planners, certified life underwriters, investment advisors, and other certified, licensed and degreed professionals who advise on financial and legal decisions that may include charitable giving.**

Each professional helps promote philanthropy in the community by sharing their expertise and helping donors create maximum return on their charitable investment. These investments benefit future generations with scholarships for students and grants for nonprofits.

As a confidante of client assets, professional advisors are uniquely qualified to help guide charitable giving, whether current or through a planned gift. Bequests, personal property or real estate, securities, life insurance, retirement assets, or annuities or trusts are all ways to assist your client who wishes to create and leave a legacy.

The Frederick County Professional Advisor Council provides a variety of resources to support charitable giving, including in-depth information and calculators in the “Advisor” section of the Community Foundation website, multi-disciplinary, collegial networking, and in-person educational meetings that cover a variety of topics related to philanthropy.

As our partnership grows and membership in the Council expands, we look forward to continuing our work with the Council and invite other professional advisors who would like to become involved to contact the Community Foundation.

## What are your goals?

Do you want to make your gift now, or establish your fund with a planned gift? Do you want to provide grants and/or scholarships now or after your passing? Either way, establishing a fund with the Community Foundation is a wonderful way to sustain a cause that is near and dear to you, support specific areas of education, honor loved ones or establish a legacy. Once you've decided on your goals, the Community Foundation staff can help you determine the type of fund that will ensure your charitable goals are met.

## NEXT, DETERMINE A SUITABLE NAME FOR THE FUND.

There are many ways to name a fund. Many funds include the donor's name or name(s) of those being honored by the fund. Some fund names reference the specific cause or organization they benefit.

## WHAT TYPE OF GIFT WOULD YOU LIKE TO USE TO START THE FUND?

While many funds are started with gifts of cash totaling \$25,000 or more, non-cash gifts such as real estate, securities or life insurance are also options. For gifts of \$500,000 or more, you may recommend an investment professional outside of the Community Foundation's investment pool, pending certain criteria. Your financial advisors can help you determine what type of gift to use, and the Community Foundation encourages you to consult with them prior to making your gift.

## HOW INVOLVED DO YOU WANT TO BE WITH THE FUND?

Do you want to review grant applications? Do you want to sit on a scholarship selection committee? Do you want the comfort of knowing that a check is sent to your favorite cause each year? Do you want your family to be involved with the fund after your passing? Your intended involvement helps to determine the type of fund that you choose.

## IF YOU'D LIKE TO CONTRIBUTE LESS THAN \$25,000, DON'T WORRY.

You can "plant a seed" by starting a fund and becoming a member of the Acorn Society. Simply select a name for the fund and agree to grow the fund to at least \$25,000 within two years or less. Once your fund reaches \$25,000, disbursements can be made. Other ways to create impact include contributing to a field of interest fund or any of our other funds, or establishing your legacy by deciding on a planned gift. No matter how much you decide to contribute, the Community Foundation makes the act of giving easy.

## *Types of Funds*

The Community Foundation of Frederick County holds two categories of funds: permanent funds and pass through funds. Permanent funds generally never spend the initial gift and subsequent gifts, with a portion of the fund supporting the charitable purpose defined by the fund's founding donor. Permanent funds include endowed funds and quasi-endowed funds. Endowed funds distribute 5 percent of the annual market value, never invading gift principal. Quasi-endowed funds distribute 5 percent of the fund's annual market value each year. Pass through funds may distribute all gifts as well as the investment return for the charitable purpose. Permanent funds and pass through funds may be any of the following types of funds: designated, unrestricted, donor-advised, scholarship, field of interest, agency, or fiscal sponsorship. For more information about types of funds, please see **page 84**.

## *Property You Can Use to Create Your Fund*

Some people have asked if the Community Foundation accepts only cash contributions. The answer is no. There are many ways to establish a fund. Some ideas you may wish to consider are listed here.

### **CASH**

You may establish your fund by giving a check to the Community Foundation. You receive the maximum tax deduction for your contribution in the year you make it. Any unused deduction can ordinarily be used over the five succeeding years.

### **SECURITIES**

You may donate securities to your fund. You get the maximum tax deduction, equal to the current value of the securities. If that deduction is larger than what you can use in the year of your gift, the excess amount may ordinarily be deducted over the five succeeding years.

If the securities are appreciated, you pay no capital gains tax. If you own depreciated securities, it may be best if you sell them, take the loss for personal income tax purposes, and contribute the proceeds to the Community Foundation.

### **REAL ESTATE**

Your real estate holdings can also benefit charity. Gifts of long-term appreciated real estate offer advantages similar to gifts of appreciated securities. Real estate will be accepted by the Community Foundation if it is readily saleable and does not require long-term management. You are required to obtain an appraisal to establish the value of the real estate for your tax deduction.

### **LIFE INSURANCE**

You may donate your life insurance policy to your fund. You receive an immediate tax deduction, usually in an amount equal to the cash surrender value. If you wish to keep the policy in force, your continued premium payments are tax deductible if the Community Foundation is the owner of the policy. If you don't want to give up the policy, you can name the Community Foundation as a full or partial beneficiary.

### **ART AND OTHER TANGIBLE PERSONAL PROPERTY**

You may use your paintings, sculptures, jewelry, etc. to establish a charitable fund as long as the property can be sold easily. You will be responsible for obtaining an appraisal to establish the value of the personal property for your tax deduction. You can start a named fund for as little as \$25,000—using cash, securities, real estate, life insurance, art, or other assets.

# HOW TO START YOUR OWN FUND

## AT A GLANCE

Establish a new fund with the minimum gift of \$25,000. If your gift is less than \$25,000, you may make the gift to an existing fund or become an Acorn Society Member.

- Decide whether to make your gift now or later
- Name the fund
- Select the gift to be given
- Determine the type and purpose of the fund
- Take advantage of the Community Foundation's "\$500,000 policy" to recommend an investment professional outside of the Community Foundation's investment pool
- Decide on life income interest (if any)

Consult your professional advisor. The Community Foundation staff can provide details about each gift type, but does not give legal or tax advice. You are urged to consult with your attorney, banker, accountant, or financial planner before making a gift or establishing a fund.

## *Some Examples of Ways You Can Establish or Expand Your Fund:*

### OUTRIGHT GIFT DURING YOUR LIFETIME

An outright gift is the simplest of all gifts to make and can be made now. It provides the greatest and most immediate support. The most common way to make an outright gift is a gift of cash, which can be used to establish your own fund, or can be added to an existing fund. In addition to a gift of cash, outright gifts can be in the form of publicly-traded securities or by transferring other assets directly to the Community Foundation.

### BEQUEST

Perhaps you are making decisions on a new will. You have taken care of all the usual details, assigned sentimental possessions, and provided for relatives.

You can stipulate that all remaining assets go to create your fund or to add to an existing fund, possibly significantly reducing the taxes payable by your estate. Your fund will support community needs in your name permanently.

Or, you simply write a codicil (amendment) to your existing will. You state that in addition to or instead of certain provisions of that will, you would like to leave the remaining assets, or a specific dollar amount, to the Community Foundation for whatever purpose you determine. Your lawyer can assist you in making this change. The Community Foundation also has suggested language for making provisions in your will.

### LIFE INCOME (CHARITABLE REMAINDER) TRUST

You may have achieved a fairly comfortable accumulation of assets, but would like an income for yourself, your spouse, or other beneficiaries for the rest of your lives. Ultimately you want charity to benefit from your estate.

You can establish a charitable remainder trust that pays you and/or your designees for your lifetimes, with the remainder of the trust going to your fund. You receive a substantial income tax deduction and estate taxes will be reduced upon your death. If you prefer, you can establish a charitable remainder trust in your will, providing a life income for surviving beneficiaries. Because of the charitable estate tax deduction, the surviving beneficiaries may receive a larger income than would otherwise be possible.

## *Two Types of Charitable Remainder Trusts:*

### Annuity Trust

A fixed income trust from which you or your beneficiaries will receive a set amount each year.

### Unitrust

A variable income trust from which you or your beneficiaries will receive a percentage of the trust's assets. Changes in the asset value of the trust will affect the level of your income each year.

The minimum amount recommended for a charitable remainder trust is \$100,000.

The Larry and Shirley Silbernagel Endowment Fund provides grants to Calvary United Methodist Church in support of its programs. The F. Lawrence Silbernagel, Jr., Trustee's Administrative Endowment Fund supports the Community Foundation's operating budget and initiatives. These two funds were founded through Mr. Silbernagel's charitable remainder trust and continues his family's legacy of giving.

### CHARITABLE LEAD TRUST

You may have provided for your children already or you may want to provide for your children in the future, but not now. With a charitable lead trust, you donate part of your estate to the trust now, and the income goes to your fund for a designated period of years. Your taxes are reduced and the property is not taxed to your children. After a period of time that you specify, the trust terminates and the assets go to your children. The charity benefits during all those years and your children may receive much more than they would have otherwise.

### GIFTS FROM AN ESTATE OR TRUST

As the Personal Representative under a will, you are directed to allocate a certain amount of money for general charitable purposes. Some professional guidance may be helpful to you.

You may set up a fund within the Community Foundation in the name of the deceased. With the approval of the court, if necessary, you arrange to have the charitable portion of the estate paid to this fund. The Community Foundation would then assume the responsibility of carrying out the deceased's charitable interests.

### ASSIGNMENT OF TRUST FUND INCOME

You may be the beneficiary of a trust which pays you a regular income. Even though you may give some of this income to charity, you may not receive maximum tax benefits.

If you assign to your fund a portion of this annual income for the benefit of charity, you pay no further tax on this income. In addition, you may take an immediate income tax deduction for the value of this assignment. If this deduction is more than you can use in the year of the assignment, the excess may ordinarily be deducted over the five succeeding years.

### CORPORATE FUNDS

Perhaps you are an executive in a business or corporation, responsible in part for corporate giving. How do you sift through the blizzard of charitable appeals?

You can establish a fund with the Community Foundation, either in the name of the corporation or an anonymous name. The Community Foundation then distributes the gift for you, relieving you of this burden.

### TRANSFER YOUR FOUNDATION'S ASSETS

If you are a trustee of a private foundation, you may establish a fund within the Community Foundation in the name of the private foundation. After arranging to transfer all or part of the assets of the foundation to the fund, the Community Foundation takes care of all the paperwork required by the government. Investments are handled by experienced people. Taxes are no longer imposed, and the amount available for charity is increased. You are secure in knowing that the fund will be administered permanently by the Community Foundation.

### TRANSFER A CHARITABLE ORGANIZATION'S ASSETS

Perhaps you are on the board of directors of a charitable organization which is terminating. You may create a fund within the Community Foundation in the name of your organization. You liquidate the assets in accordance with all laws and IRS regulations and transfer them to the fund, specifying that the income will be used only for grants in a similar field of interest. The mission of your organization is thereby continued in perpetuity.

# FUND PERFORMANCE

Well-managed charitable funds benefit our community now and in perpetuity. Donors start funds with a minimum gift of \$25,000 to benefit the causes that they choose. These funds are then invested, with a portion of the funds spent each year according to the spending policies that the donors choose at the time the funds are established.

Professional investment managers invest the Community Foundation's assets in accordance with the Community Foundation's investment policies. Investment performance is monitored and overseen by the Investment Committee, comprised of Community Foundation trustees and others with investment expertise. The Community Foundation's financial statements, including investments, contributions, and future interests, are audited annually by an independent auditor and are available for public review.

## *Investment Options*

Hundreds of named Community Foundation funds are invested as follows:

### **THE GROWTH OPTION**

Growth to a certain benchmark defines this option. Almost the entire portfolio is held in equities. When the fund reaches the intended benchmark, it is transferred to another investment option to start awarding scholarships and/or grants.

### **THE BALANCED GROWTH OPTION**

Growing the fund at an acceptable level of risk defines this option that is generally used for quasi-endowment funds. This portfolio has tiered investments, with the majority in equities and smaller amounts in other instruments.

### **THE BALANCED INCOME OPTION**

Producing income while growing the fund defines this option generally used for endowment funds. This portfolio holds tiered investments, with the majority in fixed income instruments and smaller amounts in equities and money market funds.

### **THE MAINTENANCE OF PRINCIPAL OPTION**

Preservation of principal is this option's only objective. This portfolio is held in money market accounts and certificates of deposit.

### **THE ALTERNATIVE INVESTMENT OPTION**

Donors establishing a fund with \$500,000 or more may recommend an investment manager and strategy, subject to the approval of the Community Foundation's Board of Trustees.

## *Administrative Budget*

Because 100 percent of every donation is placed into a charitable fund according to the donor's instructions, the Community Foundation meets its operational expenses through:

### **THE ADMINISTRATIVE FUND**

This permanent fund was created in 1990 to support the Community Foundation's operations and community education activities.

### **MANAGEMENT FEES**

An annual management fee is assessed on the market value of each component fund. Please see page 84, "Fund Types," for detailed information.

### **THE WIDENING CIRCLES SOCIETY AND PARTNERS IN PHILANTHROPY CAMPAIGN**

This annual campaign raises money specifically for the Community Foundation to invest in community outreach to promote philanthropy. Campaign donors become members of the Widening Circles Society and businesses and civic groups who donate become Partners in Philanthropy.
