

The Community Foundation OF FREDERICK COUNTY

FY23 Partners in Philanthropy

Businesses and civic groups who wish to support our mission and community outreach about grant and scholarship impact become Partners in Philanthropy. In addition, their gifts help bring to life our Annual Report to the Community event each November, and our printed annual report.

Supporting our outreach to educate more people about the impact of grants and scholarships is probably one of the easiest ways to become a donor. Different levels of membership are available, starting at just \$100. And, as always, your gift is tax deductible.
